

PKG GLOBAL TRADE

Exporter of Fresh Fruits & Vegetables | India

Company Overview

PKG Global Trade is an India-based exporter specializing in premium quality fresh fruits and vegetables. We work directly with farmers and trusted grower networks to ensure consistent quality, traceability, and compliance with international export standards. Our focus is on building long-term partnerships through reliability, transparency, and customer satisfaction.

Product Range

- Fresh Mangoes
- Fresh Bananas
- Fresh Potatoes
- Green Chillies
- Other seasonal fruits and vegetables (on request)

Quality & Compliance

All produce is carefully sorted, graded, and packed under strict quality control measures. We follow international phytosanitary standards and ensure proper documentation, including health certificates, packing lists, and certificates of origin as required by importing countries.

Packaging & Logistics

We offer customized packaging options as per buyer requirements, including cartons, mesh bags, and export-grade boxes. We work with reliable logistics partners to ensure timely and safe delivery by sea or air freight.

Export Markets

We actively serve international buyers across the Middle East, Asia, and other global markets, and are continuously expanding our export footprint.
